Operations & Customer Success Professional

Lagos, Nigeria | messiovo@gmail.com | +234 706 648 9259 | [LinkedIn profile](#)

PROFESSIONAL SUMMARY

Operations and customer success professional with experience coordinating remote services, supporting leadership, managing client relationships, improving workflows, and coordinating cross-functional activities. Experienced in managing 50+ daily customer inquiries, maintaining 95%+ customer satisfaction, supporting executive administration, and improving service workflows. Hands-on with HubSpot, Slack, Google Workspace, Trello, Asana, Zoho and AI productivity tools, with completed coursework in Excel and Google Project Management.

CORE SKILLS

Operations Coordination | Project Coordination | Executive Support | Customer Success | Stakeholder Communication | Process Improvement | CRM Management | Workflow Documentation | Calendar & Meeting Coordination | Reporting & KPI Tracking | Task & Deadline Tracking | Remote Collaboration | Excel | Google Workspace | AI Productivity Tools

PROFESSIONAL EXPERIENCE

Operations Support/ Tutor | CuriousLab Academy | Mar 2025 – Present | Lagos, Nigeria | Remote

- Manage day-to-day operations for a virtual academy serving UK-based students and parents, coordinating schedules, tutor assignments, student onboarding and session logistics.
- Serve as a primary point of contact for parents, handling inquiries, progress updates and service-related concerns to maintain a positive customer experience.
- Coordinate tutor schedules and operational tasks using Google Workspace, Trello and internal systems.
- Improved internal communication by transitioning tutor coordination from WhatsApp to Slack, increasing clarity and efficiency.
- Maintain accurate records of student progress, attendance and operational tasks to support service quality and reporting.
- Collaborate with instructors to support consistent service delivery and timely resolution of operational issues.

Customer Support | Lugo Agency | Aug 2023 – Mar 2025 | London, UK | Remote

- Handled an average of 50+ customer inquiries daily across email, chat and phone while maintaining a 95%+ customer satisfaction rating.
- Used HubSpot and Slack to document customer interactions, manage follow-ups and coordinate issue resolution.
- Troubleshoot complex customer and technical issues, resolving cases efficiently and escalating when necessary.
- Created knowledge-base articles and FAQs that contributed to a 15% reduction in inbound support tickets.
- Managed multiple customer cases simultaneously in a fast-paced remote environment while maintaining accurate records and professional communication.

Admin / Operations Personnel | Emperor Telecoms | Jan 2021 – Jul 2023 | Lagos, Nigeria | Hybrid

- Managed a team of Client Service Representatives and supported daily operations and customer service delivery.
- Provided administrative support to executive leadership, including calendar coordination, data entry, meeting preparation and internal reporting.
- Coordinated email correspondence and stakeholder communication to ensure timely follow-up and issue resolution.
- Optimized customer-service workflows, reducing average resolution time by 30% and improving operational efficiency.
- Implemented CRM tools including HubSpot and Zoho to track customer interactions and support data-informed service improvements.
- Developed KPIs to monitor customer-service performance and launched a customer feedback process to identify improvement opportunities.
- Reduced customer churn by 20% through targeted service improvements addressing recurring customer pain points.

Administrative Assistant | Christ Embassy | Aug 2014 – Jun 2016 | Lagos, Nigeria

- Managed the CSO's calendar, scheduled meetings, coordinated appointments and maintained timely reminders.
- Prepared meeting agendas, recorded minutes and followed up on action items.
- Organized confidential reports, incident logs, access-control records and internal correspondence.

- Drafted internal communications and official reports and supported coordination of departmental events and activities.
